

Timber sash and case window suppliers
covering the full Uk

Edinburgh Windows and Doors are a leading manufacturer of Wooden windows & Doors

We began our journey in 2019 when Refurbishment of sash and case windows evolved into manufacturing the highest quality sash and case windows and timber doors

We have put ourselves in a niche, meaning we specialise in the manufacture of timber sash and case windows.

why we are the best choice

Take the worry out of your projects with a proven sash and case supply partner.

Commercial choice for construction companies, we work with Q -mile Developments, Ogilvie Construction, SJS, Cedar developments and many more.

We have proven ourself on large scale projects

Fraser Suites Edinburgh 156 windows restored / replaced

Craighouse restorations 136 windows restored / replaced

We can provide 6 – 8 week lead time on timber sash and case window supply only projects.

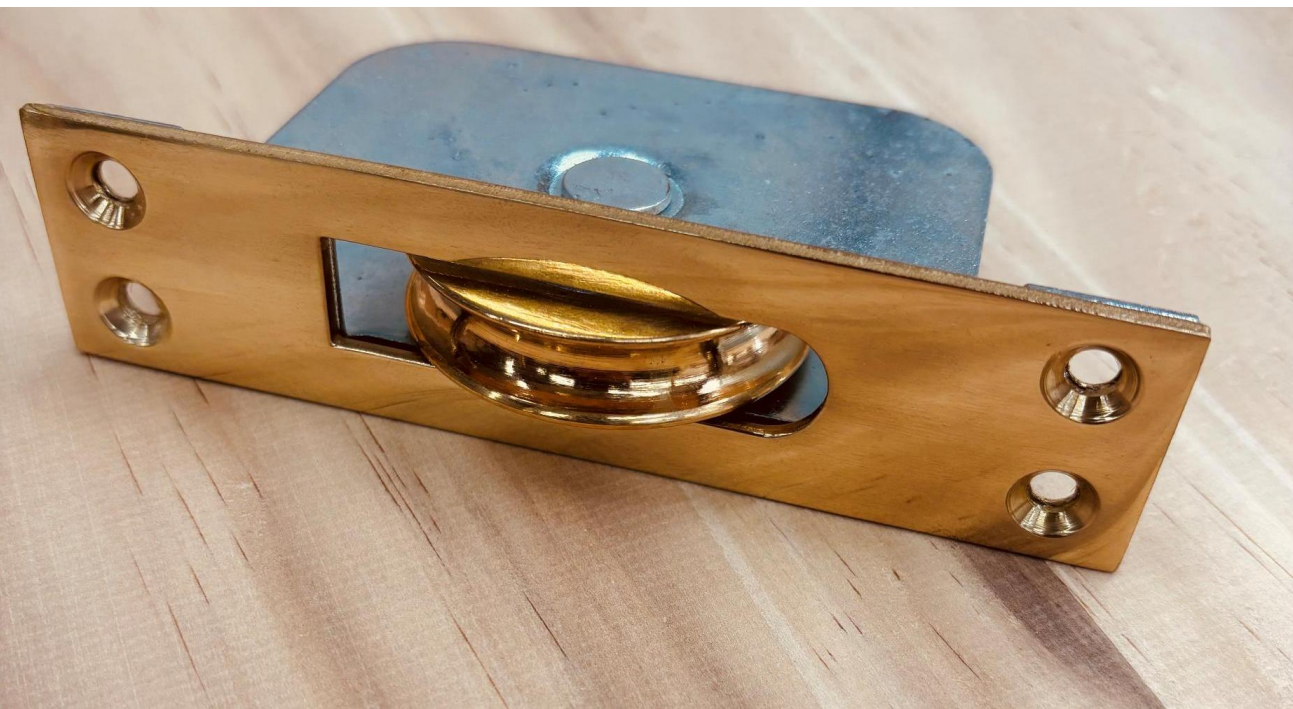

Traditional sash Ironmongery

We select our ironmongery for its superior quality, there are a number of different finishes available from Polished brass, Antique brass and even black.

Ironmongery selections are available for

- Pulleys
- Sash fasteners
- Ring pulls
- Sash lifts
- Simplex systems
- Many more selections are available
